*OUR TOWN IS AWESOME*

**COMMUNITY CENTER PROJECT:** The Library Renovation Committee formed a fundraising team to meet the pledge challenge from the Suzanne and Walter Scott Foundation, The David Scott Foundation, The Amy L. Scott Foundation, The Parker Family Foundation, and The Dixon Family foundation who generously gave a combined total of \$150,000 to get the project rolling. The Carol McMurry Foundation heard of our project thru the Wyoming Community Foundation and pledged an additional \$25,000. Town and surrounding area residents and businesses were contacted by the team either thru a face to face or by mail asking for their support. As our fundraiser got under way we received a very generous donation from the Peter Thieriot Family of \$25,000. With all the charitable residents and businesses we raised an additional \$31,447 plus an in-kind donation of several thousand dollars for dirt work from Bob and Sally O'Connor. This fundraising surpassed our wildest expectation with a total of \$231,447!!!! The Town and Library Committee can't express our gratitude enough to everyone that saw the vision for this project. The bulk of the donations will be used for the renovations and if we have an overage it will be placed in a budgeted line item in the Town's accounts to only be used for the library.

The Library Committee wants to say THANK YOU to the team who made the "ask" for the project and to Willis Williams who took the request to the Scott Family Foundations on our behalf to get this project moving forward.

The Community Center Project has a good start on the 3 phase project. The new pole barn shop has been erected on Spruce St. The old shop on Bridge St. has been cleared out and renovation will start as soon as the town receives our fire permit.
