

PARK ICE RINK NEWS

Many thanks to Mayor Irene and Councilman Page for getting the ice rink set up!!

This Saturday December 14 we will be loaning skates, helmets and other hockey gear to anyone who would like to check it out for the season. We have skates from very tiny, possibly for a 3 year old, to very large. Not all sizes are guaranteed but we will do our best. All the equipment has been donated and we would like it returned at the end of the season so it may be passed down again next year.

We will be meeting in the Elk Mountain grade school starting about 11 A.M. and would like to start with the smallest kids first if possible. Mike Pijanowski will be helping get the kids fitted properly and he and the Dawg Nation Foundation have been instrumental in acquiring the equipment. Any adults that would be able to help out during the season should contact Barb Pijanowski or any park board member. It would be helpful if volunteers could meet at the school so we can show you how to properly fit equipment as probably not all the kids will be able to get to the school Saturday.

COME ONE, COME ALL! LET THE HOCKEY GAMES BEGIN!
