- Water: Water Superintendent Eastman said the consumer confidence report is out and he will be distributing it to various places in town. He told the Council he would be at the WARWS conference in Casper from the 22nd thru the 25th. There was discussion on the SCADA system and the analyzers and Superintendent Eastman said he would visit with a company from Sheridan at the conference before deciding on how to correct the problems with the system.
- Zoning: No Reported.
- Public Works: Public Works Director Martinez was unable to attend the meeting but had a written report for the Council. Director Martinez has been working with the Datamatic Company on direction and instruction of the water meter system. The new pumps and floats have been received for the lift station. The new floats will be installed soon. He is monitoring and testing the pumps twice a week. The control room has been cleaned and cleared and cabinets and shelving installed for spare parts and PPE. The lift station and the water plant are equipped with proper PPE. The Director touched on the CL analyzers and the water plants main gate problems. He thanked Paul Kissinger for helping him with the sorting of the trash trailer at the landfill. The PW equipment is running good but there is still an issue with the brake assist on the dump truck. He did some branch and debris removal from the town right of way on Main and Fir. The Director will be attending the WARWS conference in Casper on the 22nd. He is planning on leveling and resetting the towns dumpster for easier pick up with the trash truck.
- HCJPB: Representative Hobbs told the Council that Cindy Chase resigned her position on the Board and Karen Heath was appointed as a new representative. They approved bills in the amount of \$13,801.06. Representative Hobbs said that that they need to do repair on a well at an estimated cost of \$10,000.00. The bookkeeper is doing well in her new position. The HCJPB budget was discussed and approval was tabled because there wasn't a quorum to vote on it.

Park Board: No one from the Park Board was in attendance. Clerk Crane said it had been mentioned to her to ask the Council that if the IOOF is removed if there is a possibility of setting the Cobb Cabin in that location to use as a museum. There was some discussion on the cost of moving the cabin.
